UAE based
company

Media License
Number:
8617336

Durov's Code mission is to cover the hottest and relevant stories from the world of technology and innovation. Our journalism includes deep-dive research and meticulous analysis — we go the extra mile to keep our readers timely and thoroughly informed.

Our range of focus includes prospective startups, modern gadgets, technological breakthroughs, top tech events and so much more — from all parts of the world. Our formats include everything from news, interviews with top influencers, articles, to op-eds and videos.

/ The Audience

Top 5 Countries:

	UAE	40%
	USA	23%
	India	15%
	Germany	6%
	UK	5%
	Others	11%

Our core audience have a general interest in the world of technology. Significant part of our readership are individuals who are directly involved in the tech field.

These people are changing the way we think about technology on a daily basis.

For this audience, staying informed and up-to-date on the latest news, trends, and innovations is not just a hobby, but a crucial part of their professional and personal lives.
